

Stay Socially Engaged!

CaptionCall empowers you to communicate more confidently with friends, family and co-workers. With CaptionCall you will enjoy:

- **Familiarity**—CaptionCall works like a regular phone. You dial and answer calls just like you always have.
- **Free service**—Captioning service is funded by the federal government. No new bills or monthly charges.
- **Large text**—7" screen with adjustable text sizes makes it easy to read every word of every call.
- **Location flexibility**—Set up your phone using a wired or wireless internet connection.
- **Speakerphone**—CaptionCall RealSound allows you to use both ears for the ultimate calling experience.
- **English and Spanish captions**—Captions are available in English and Spanish.
- **Customizable audio**—Easily adjust ringer and handset volume and customize frequency amplification.
- **Telecoil loop connection**—For hearing aids with a telecoil option.
- **Saved conversations**—You can choose to save the captioning from conversations for later review.

To get started, all you need is:

- An internet connection
- Professional certification stating that you have a hearing loss that requires captions to use the phone effectively

Life is Calling

Difficulty hearing on the phone?

If you or someone you know has trouble hearing on the phone due to hearing loss, you may be eligible to receive a complimentary CaptionCall phone with free captioning service.

The revolutionary CaptionCall phone displays smooth-scrolling captions of what your callers say on a large, easy-to-read screen while simultaneously providing the most powerful amplification available and superb audio quality. It lets you **hear** and **read** your phone conversations so you won't miss a single word.

Ask if you are eligible to receive a **COMPLIMENTARY PHONE** with free captioning service.
